Finding Picture Numbers on the Web:

1. Select 'My Photographs' from the top menu and click on 'All my Photos'.
2. Click on the event Gallery that will contain your photos. You may need to select a second level of gallery for a large event.
3. Locate the thumbnail of the pictures you are interested in.
4. Click on the picture to launch a larger view. The larger view has the picture number at the bottom of the picture. Use the thumbnails or the arrow button to navigate through all the pictures you are interested in.
